To

L. Anantharama Rao,
Esq. B.A.
Deputy Secretary to
Govt. Mysore & Deputy

Sir,

With reference to
your No. 1552 & 55 dated
8th April and 21st July last,
respectively, requesting to
submit an Estimate for
the repairs with a certificate
as to the exact Savings
available at the credit of
the Sree Ranadeevara

at Sakleshpur, I have the
honor to state that the
Estimate for Rs 790/- for
repairing the temple was
Sanctioned in Government
Proceedings No: 1114-5 dated
4th May 1897. Out of this
Estimate, work equivalent
to half the Sanctioned amou
had to be executed by the
Archik Keshavachar as
per his agreement; but as
he failed to do so on acc
of his narrow circumstance
it was not possible to
put the work in hand
and finish it within
Rs 395/-. The Amildar was
then directed to submit a
fresh Estimate not going
beyond the available funds
the credit of the templ
ame time praying
eedful
ch air

repairs to the said temple.
The Amildar in submitting
two Estimates one for Rs 1110/-
for reconstructing and other
for Rs 764 for repairing the
temple states that the temple
is in a greatly deteriorated
state in a lonely place
and so requires good and
substantial repairs which
is not possible to be effected
from the funds viz Rs 269-2-8
available at the credit of
the temple and that the
Estimate for Rs 764/- cannot
be lowered to get the required
work done. I, therefore, solicit
that if the Government are
pleased to sanction the
payment of Rs 494-13-4 out
of the State grant of Rs 15000/-
allotted for the repairs etc
of Inamai buildings the
Estimate may be kindly
sanctioned and the repair
work

work will then be executed in a substantial manner under the direct Supervision of the Amildar.

2 The Dy Comm^r now reports that the work could not be started as the Archak failed to contribute the promised amount on account of his narrow circumstances and therefore submits two alternative Estimates - one for Rs 1110 for re-constructing the temple and the other for Rs 764 for repairing it. He recommends that the smaller Estimate for Rs 764 for repairing the Temple, may be sanctioned and the sum of Rs 494-13-4 (excluding the sum of Rs 269-2-8 available at the credit of
